2012 ANNUAL COMMUNITY RESOURCE FAIR IS COMING TO TOWN

Registration 2011

It is that time of year again when the children have returned to school and those raising them can breathe for a moment, take a look around and see what else is needed. RESOURCES! Yes, more resources and where can they be found? Ah yes, the Perris

Community Resource Fair. The Perris Valley Family Resource Center will host its annual Community Resource Fair on Thursday, September 27, 2012 from 11:00 a.m. to 3:00 p.m. The purpose of the Resource Fair is to increase the community's awareness of the programs and services available through the Family Resource Center, public agencies and community-based organizations. This year come prepared to have fun, meet people and receive information.

We will have booths for community partners to provide information to attendees. There will be

more than 50 community partners present to provide resource information. Partners will include public/county agencies, community organizations and faith-based organizations from Perris and surrounding communities. Whether you are a family of one or a family of many, there will be something for you at the Resource Fair.

No entry fee required. Everyone is welcome!

If your organization would like to have a booth, contact the Perris Valley Family Resource Center at 951-443-1158
