## THE FOSTER CARE OMBUDSMAN PROGRAM

- ✓ The Foster Care Ombudsman's Office is empowered to investigate complaints about state and local agencies regarding foster care.
- ✓ The Office has dedicated, caring staff in both Sacramento and Los Angeles to help address your concerns.
- ✓ The California Legislature directed that a Foster Care Ombudsman's Office be established to provide an independent forum for review and resolution of concerns related to the care, placement or services provided to children and youth placed in foster care.
- ✓ The Foster Care Ombudsman Office is an autonomous entity with the California Department of Social Services.

*"Ombudsman" is a Swedish term of long and honorable tradition. Ombudsmen help people resolve their difference with public officials.*
