

A photograph of a white building with a bell tower and palm trees at sunset. The building features a prominent bell tower with a bell hanging inside, and a smaller arched window to the right. The sky is a warm, golden color, and several palm trees are visible on the left side of the frame. The text "HomeConnect" is overlaid in the top right corner, and "Riverside County CES" is overlaid in the bottom right corner.

Access to available housing in the community – No Wrong road

Achievements

- Developed a CES process
 - Building the plane while we fly it!
 - Actively continuing to develop
 - HMIS implementation is still pending

$$x \Rightarrow F \cos \beta - G \sin \alpha - T = ma$$

$$y \Rightarrow F \sin \beta - G \cos \alpha + N = 0$$

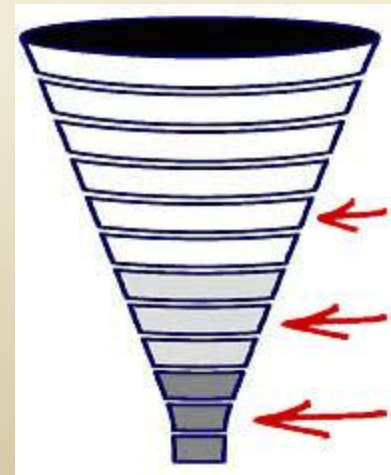

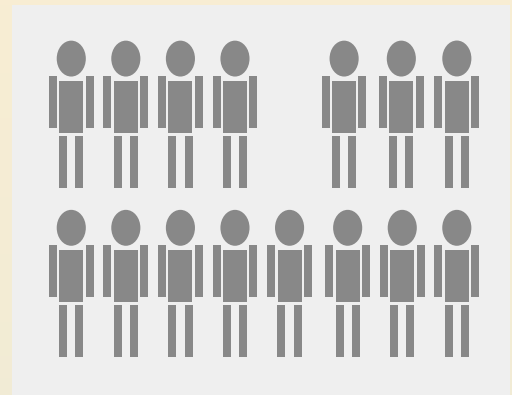

$$T = \mu N$$

This time last year

- Still in Home Link
- In midst of working on transfers of information from Home Link
- Just celebrated the veterans achievements
- Began working on sustaining veterans and working on reducing CH individuals – reporting to community solutions

Achievements

- Developed an active list based on vulnerability and prioritizations
- Transferred data from Homelink to our BNL

198 – housed and reported to CES

97 – self resolved/in other Housing

Referral Problem Resolutions

Problem

- Lengthy time on list – no updates
- Unable to quickly prove CH
- Not homeless at this time
- Unable to locate
- vacancy

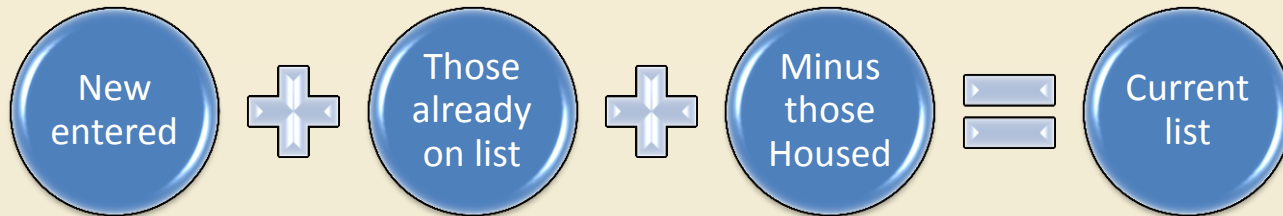

Resolutions Steps

- Collaborative meetings
- CES Oversight guidance
- Development of new interim guidelines

New guidelines

- Confirmed CH prior to referral
- Shortened timeframe for locating/releasing referral for another
- CES staff verifying individuals still homeless /wanting services
