

EFSP Phase 34 RFA – Questions and Answers

QUESTIONS	ANSWERS
1. For the paper version of the application that we submit I wanted to make sure that the dividers with the tabs that are labeled 1, 2, 3 etc. are sufficient or do we need to have Attachment 1, Attachment 2, etc. printed on each divider page?	It is better to do Attachment 1, Attachment 2, etc.
2. Our agency is interested in applying for EFSP shelter funding based. We wanted to confirm that our transitional housing program would be eligible.	EFSP does not fund transitional housing; only mass shelter, rent/mortgage assistance and motel/hotel voucher.
3. Unfortunately, due to an oversight our staff did not attend the Technical Assistance Workshop for the Emergency Food and Shelter Program grant. Will our organization still be eligible to apply for the grant? Thank you for any information you can provide.	The RFP is very clear that attendance to the Mandatory Technical Assistance Training is a requirement to apply for EFSP funds.
4. Are tabs required or can it be just a page labeled Attachment 1, Attachment 2, etc. that acts as the divider?	Please use tabs for easy reference.
5. Can the combination of index tabs on the divider pages be labeled 1, 2, 3 etc. and the divider pages that the tabs are attached to be labeled Attachment 1, Attachment 2, etc.?	Yes.
