## **EMERGENCY FOOD AND SHELTER PROGRAM**

### **1.0 GENERAL INFORMATION**

The Department of Housing, Homelessness Prevention and Workforce Solutions (HHPWS) is requesting applications on behalf of the Emergency Food and Shelter Program (EFSP) Local Board for the County of Riverside. The purpose of this Request for Applications (RFA) is to identify nonprofit organizations and local government agencies, known as Local Recipient Organizations (LROs), to provide services for EFSP CARES.

**APPLICATIONS MUST BE SUBMITTED IN ACCORDANCE WITH THE INSTRUCTIONS LISTED IN THIS RFA. Late or incomplete applications will be considered ineligible for scoring. Only complete applications will be scored.**

The EFSP Local Board and its designated representatives reserve the right to amend or modify the requirements of this RFA as necessary and to negotiate with applicants regarding services and costs, as well as to cancel, in part or in its entirety, this RFA if it is in their best interest to do so. This RFA does not commit the EFSP Local Board to award a contract or to pay costs incurred in response to this request.

Agencies should be aware that EFSP funding from one year to the next is neither automatic, nor guaranteed. Each year the EFSP Local Board Review Committee evaluates and scores all eligible applications submitted and makes allocation decisions based on the most effective and efficient delivery of emergency services across the county. **Applicants must not regard EFSP funding as part of their annual operational funding base, but as supplemental funding to meet specific emergency needs. This RFA references three types of applicants:**

- 1. New Applicants:** Qualified organizations that have never been funded or were not funded in the previous phase/year. New applicants are required to complete all portions of the Project Application. This includes agencies that submitted an application for Phase 37 funding and were not selected for an award.
- 2. Returning Phase 37 Award Recipients:** Qualified organizations that have received EFSP funding in previous phase/year.
  - Agencies that were approved for an award in Phase 37 will not be reviewed to meet threshold requirements and will only be required to submit the following parts of the Project Application:
    - Applicant Cover Page
    - Part B: EFSP Funding Request
    - a letter explaining how the agency's current programs and services have been impacted by COVID-19. Agencies should explain how they will increase their provision of services.

The minimum grant amount that can be requested by any organization is \$5,000 per supervisorial district. The maximum grant amount that can be requested by any

organization that has never been funded or was not funded in the previous year (Phase 36) is not to exceed \$20,000 per supervisorial district. All other organizations may apply for a maximum amount of \$50,000 per supervisorial district.

<b>New or Returning Applicant</b>	<b>Minimum request per supervisorial district</b>	<b>Maximum request per supervisorial district</b>
New Phase 37 and CARES Applicants	\$5,000	\$20,000
Phase 36 Returning Applicants	\$5,000	\$50,000

Under no circumstances is the EFSP Local Board bound to award any organization the amount requested. The amount of a grant to be awarded to an organization shall be determined by the Selection Process and Scoring Criteria described in this document.

All questions regarding this document should be directed to the County of Riverside Department of Housing, Homelessness Prevention and Workforce Solutions at [EFSP@rivco.org](mailto:EFSP@rivco.org).

## **2.0 SPENDING PERIOD**

The spending period for CARES funds will begin on **January 27, 2020 and end on December 31, 2020.**

## **3.0 ELIGIBLE ACTIVITIES**

The EFSP National Board regulations and the EFSP Local Board policy identify the activities listed below as eligible expenses. Each category is intended to meet specific emergency needs for food and shelter. EFSP funding can be requested to support one or more of the following activities:

### **3.1 Emergency Shelter – (*Hotel or Motel Vouchers*)**

Applications should address helping people who are without resources and experiencing a housing crisis with no appropriate on-site shelter available. Costs must be reasonable. A 30-day maximum stay per person is allowed one time in a twelve-month period. The agreement(s) with the hotel or motel must be included with the application. Failure to include a copy of the hotel or motel agreement(s) will result in the application being declared “incomplete” and not able to be scored.

### **3.2 Mass Shelter**

Applications should address assisting people who are without resources and experiencing a housing crisis with no means of securing temporary shelter in a hotel or motel. Mass shelter is defined as five beds or more in one location. A 30-day maximum stay per person with EFSP funds, per twelve-month period is allowed. The bed night per diem rate is \$12.50.

### **3.3 Emergency Rent/Mortgage Assistance**

Applications should address assisting people with emergency rent or mortgage assistance. The rent/mortgage assistance is limited to one month's rent or mortgage payment, not to exceed \$1,200. The LRO should verify that there is evidence the person requesting assistance can resume rent payments to avoid eviction after assistance is received. A household can only receive assistance one time in a twelve-month period.

### **3.4 Emergency Food**

Applications for food should address helping people who are without resources to secure food. Food can be provided through hot/cold meals, distribution of food boxes, bags or sack lunches, or vouchers/gift cards for use at restaurants or grocery stores. The per diem rate (per person) for hot/cold served meals is \$2.00.

### **3.5 Administrative Costs**

Up to 2% of your total EFSP grant can be allocated toward administrative costs. This can include payroll and/or office supplies used to administer the EFSP program.

## **4.0 EFSP GUIDELINES**

- 4.1 Collaborative, multi-organization/agency applications from a group of service providers serving the same community or communities are eligible for consideration. These applications should clearly identify the organization/agency, which will serve as fiscal agent/lead.
- 4.2 Applicants should be prepared to assist any qualifying individual or family seeking assistance in their designated Supervisorial District in need of emergency food and/or shelter.
- 4.3 Funding is not intended to make up for budget shortfalls or to be considered a separate line item in an annual budget.
- 4.4 EFSP funds should supplement an existing project. The funds are not to start new projects or to stop a project from closing.
- 4.5 EFSP funds cannot be used to replace federal, state, or city grant contracts.
- 4.6 Agencies must be financially able to front all the funding since payment may not come until later into the project.

4.9 Matching funds must be documented and included in the Project Application.

  - b. Second Priority - Emergency Food
    - Served Meals

The Local Board will allocate EFSP funds as follows: 65% of the funds will be allocated to housing and 35% of the funds will be allocated to food. The Local Board has the discretion to modify the housing and food allocations based on application requests.
- 9.3 **Funding in Other Districts** - Applicants may apply for funding in any supervisorial district where they have an office or other physical presence, or in a district where they provide at least 5% of the organization's total services by service category to residents in/from that district as indicated by zip code.
