

# HMIS Data Collection for HUD VASH Projects – ENTRY

## FOR TEXT FIELDS, USE BLOCK LETTERS. OTHERWISE, MARK APPROPRIATE BOXES WITH AN “X”

The form is broken into two sections for *All Clients*, and *Head of Household and Other Adults in the Household* in order to eliminate duplication of data gathering when characteristics apply to certain members of households.

### DATA FOR ALL CLIENTS

Respond to these questions for all household members—each adult and child. A separate form should be included for each household member.

### DATA FOR HEAD OF HOUSEHOLD AND OTHER ADULTS

Respond to these questions for the head of household and each additional adult in the household. If the household is composed of an unaccompanied child, that child is the head of household. If the household is composed of two or more minors, data must be collected about the minor that has been designated as the head of household. A separate form should be included for each adult member of the household.

#### 3.10 PROJECT ENTRY DATE (e.g., 09/06/2016) (ALL CLIENTS)

The Project Entry Date will serve as the information date for all data elements collected on this form; all data must be accurate as of this date, regardless of the date collected.

Record the month, day, and year of project entry. The project entry date indicates a client is now being assisted by the project.

- For residential projects, with the exception of Permanent Housing-Rapid Re-Housing (PH-RRH) projects, this should be the first date of occupancy in the project.
- For PH-RRH projects and non-residential projects this should be the date on which the client began receiving services from the project or would otherwise be considered by the project funder to be a project participant for reporting purposes.
- For Street Outreach projects this should be the date of first contact with the client.

#### 3.1 NAME (first, middle, last name, suffix (e.g., Jr, Sr, III)) (ALL CLIENTS)

To avoid duplicate record creation, the full first name should be used (e.g., James vs. Jim) and the last name should be recorded as the individual has it recorded on their official legal documents (driver’s license, social security card, etc.)
